SPARK AIR ENGINEERING PRIVATE LIMITED

PRESS RELEASE

30 October 2026

Change in the Board of Directors

Spark Air Engineering (Private) Limited wishes to inform the media, the aviation industry, its business partners and the general public that, pursuant to a resolution passed by the shareholders at the Extraordinary General Meeting held on 29 October 2026, Mr. Rameez Uddeen Mahamoor holding National Identity Card No: 571600463 V has been removed from the Board of Directors of the Company with effect from the conclusion of that meeting.

Accordingly, Mr. Rameez Uddeen Mahamoor is no longer a Director of Spark Air Engineering (Private) Limited and is not authorized, by virtue of his former position, to represent the Company, enter into transactions or make commitments on its behalf.

The Company remains committed to maintaining its business operations and professional relationships with all stakeholders.

Issued by:

The Board of Directors

Spark Air Engineering (Private) Limited
